Dear Mr. Barrouquere:

I am writing in response to your public records request, dated December 20, 2018, requesting the following:

“any material documenting communication between of the organization Alliance Defending Freedom, also known as ADF, and the Wisconsin Governor's office between January 10, 2011 and the present”

I am denying your request because it is unduly burdensome given the large number email accounts that could hypothetically cover and the large time frame presented. *State ex rel. Gehl v. Connors*, 2007 WI App 238, ¶ 18, 306 Wis. 2d 247, 742 N.W.2d 530; *Seifert v. Sch. Dist. of Sheboygan Falls*, 2007 WI App 207, ¶ 42, 305 Wis. 2d 582, 740 N.W.2d 177. Additionally, a request for communications with unspecified employees or representatives is not reasonably limited as to subject matter. *See* Wis. Stat. § 19.35(1)(h).

Please be aware that I searched for any mention of “ADF” or “Alliance Defending Freedom” in any known email account for Governor Walker during the requested time frame. There are no responsive records.

Pursuant to Wis. Stat. § 19.35(4)(b), the decision to deny your request as described above is subject to review by mandamus under Wis. Stat. § 19.37(1), or upon application to the attorney general or to your local district attorney.

I consider this request closed. Thank you for contacting the Office of Governor Tony Evers.

Sincerely,
Erin Deeley
Assistant Legal Counsel
